

NEWTON FIRST PRESBYTERIAN CHURCH

From Pastor Scott:

Dear friends,

I've spoken and written on the ministry of the Prophet Nahum before, but Nahum has come to my mind again as I consider the year ahead. The question comes to my mind, "*God, what are You doing amidst these troubled times?*" Nahum gives me a clue to listen for God in His Word, not in worldly leaders. Below is how, I think, the prophet Nahum is helpful to us today.

(From Eugene Peterson's introduction to the book of Nahum)

The stage of history is large. Larger-than-life figures appear on this stage from time to time, swaggering about, brandishing weapons and money, terrorizing and bullying. These figures are not, as they suppose themselves to be, at the center of the stage. The fact is they're not anywhere near the center. At any moment in history a few superpower nations and their rulers dominate the daily news. But few of these names make a mark of immortality. The danger is that the noise of these pretenders-to-power distract us from what is going on quietly at the center of the stage in the action and person of Jesus.

Jesus' characteristic way of working is in quietness and prayer. If we conditionally respond to noise and size, we will miss God's Word and action. So, God often assigns someone to pay attention to some of these persons, nations or movements just long enough to get us to focus back to the main action: **Jesus!** Some of these people God uses are the biblical prophets. Their words speak to us now just as loudly as when they spoke to the pretenders-to-power of their day. One such prophet is Nahum.

Nahum 1:7-9, "The LORD is good, a refuge in times of trouble. He cares for those who trust in him, but with an overwhelming flood he will make an end of Nineveh; he will pursue his foes into darkness. Whatever they plot against the LORD he will bring to an end; trouble will not come a second time."

The stage of history is large, we need biblical prophets like Nahum to remind us who is at the center of the stage: Jesus.

PW Post by Sandy Larson

Christ the Lord has risen! Sing and shout Alleluia! What a blessing to celebrate. Another blessing is the great group of ladies at our March 13 Circle Meeting. We had great conversations, a great Bible study lesson, a tasty mid-morning snack and topped it off with installing Karen Wilson as our newest Coordinating Team officer in the position of Vice-Moderator. Yes, we certainly are blessed.

In March, our Coordinating Team was delighted to be able to give another donation to the Newton Public Schools student lunch fund in the amount of \$500.

In April, Rojean DuBois will lead our Bible study lesson named, “An Ethiopian Eunuch Encounters the Good News of Jesus”. The main idea is “The Word of God is an essential tool for expanding the reign of God.” Our hostess for our Circle Meeting will be Rita Allmon.

Spring has arrived so celebrate and mark your calendar for

PW Circle on April 10 at 10:00 AM in Fellowship Hall .

All women of our church are Presbyterian Women and any guests are invited.

Presbyterian Women encompass so much ministry through worship, Bible Study, mission giving and community outreach. We welcome sharing time together.

We had a Soup Supper for Ash Wednesday Service. Around 40-45 people enjoyed eating soup and then Pastor Scott lead us in an Ash Wednesday service. That was on February 14th. Happy Valentine's Day.

On March 24th we handed out Palm Branches. Love to see them wave and the kids shouting out Hosanna!!

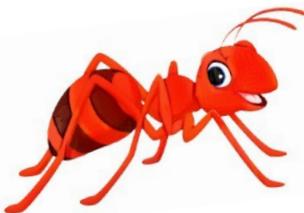

On March 28th there was a Maundy Thursday Service. We got to hear the Reader's Theater group again. It was a special service.

On March 31st, Easter Sunday. The Lily's hung on the cross. We appreciate all who adopted a Lily. The profit we made goes to the Children and Youth of the church. You might wonder what we do with the money. It helps with materials that are used for the youth groups (JUMP/Kids Connection). It helps us purchase some things we need to get the energy out before we can sit down and do our lessons. Thank you for your generosity.

**We hope you enjoyed the devotion books that were out on the table in the Narthex.

Kids Connection: We met on March 24th: We had lunch and then our lesson on Fire Ants/Palm Sunday/Easter. We also made an Easter craft and played some games.

Sunday School:

I hope you all got a chance to see the kids Art Sunday School Show. As you can see the kids have been busy.

We just finished up with Lent/Palm Sunday/Easter. We will be starting on a new curriculum called “Bible Chef”. We are going to learn all about God’s love and grace through food. If you want to join us to learn how this will happen, feel free to come down and join us. If I remember to take some pictures you can see the outcome and what it all means. Here’s a little hint: We are making something we eat at the Tangeman’s farm for the Deacon Picnic. (Don’t worry we are not using a fire.) Ask the kids after April 6th what it was and why that food?

Lil Worship Warriors:

I was asked the other day why the name Warriors? When I was thinking of what I could do to help the kids learn about the reverence of a worship service, I thought these kids are small but mighty. They are kids and sometimes feel like they can't do anything right and are too noisy in church and I want them to know they are part of this church and if they try hard they can do lots of things that are quiet. I thought of our soldiers and think of them as warriors who are protecting us just like Jesus does. A warrior can be a good thing and if as a child I can sit and be quiet and listen to the service I am being a worship warrior and helping in the service by not being a distraction, but a part. I am sorry if you don't like the word "warrior", but it really is to say: We may be small, but like a warrior we are mighty.

We have been meeting the 2nd – 4th Sundays and doing Object Lessons about Jesus. We learned about his cousin John, his trip to Jerusalem, his trip to the cross, the tomb and the resurrection. We will begin to learn some of Jesus' Parables.

JUMP

We continue to meet Wednesday Evenings from 7:00-8:15.

We just finished up our study on Sow, It's Lent Now!

FIRE ANTS!! Watch out they are spreading and they can be the most painful thing a person endures if you get bitten. They are spreading all over the place and you have to be careful if you walk barefoot in the grass.

My sister once told me that her kids loved to go to places where they could roll and run around in the grass, because down in Texas they can't because of fire ants. Okay, why fire ants for the Lenten study with the youth.

Well, can you guess what else spreads like fire ants? SIN!! We started all the way back to Eve who committed the first sin and then Cain who committed the second. When Cain came home after killing his brother and left his home, Eve might have said: "It is spreading." Sin like fire ants spreads quickly. God tried so many times to tell His people not to sin and nothing seemed to work and then His best plan was to send the Messiah. Jesus came along and was a great teacher of the word of God, but in the end it was His dying that forgave us those sins. Let's be happy for this and let's not spread sin and let's get rid of those pesky fire ants.

History of "The Woods"

In 1963, two Presbyteries in Kansas joined together and purchased the 400 acres that would become Westminster Woods. Their vision was to create a place where campers could learn about God in a natural environment. This vision became a reality in the summer of 1964 when the first camp was held.
